

Graph Neural Networks for Natural Language Processing

Ashutosh Tiwari (ashutiwa@iu.edu)

May 17, 2022

1 Introduction

Graphs in general have been used in natural language processing for a long time. But in most of these cases (example [\[Erk06\]](#))

This medium page was generated by [HTML document](#) which was generated from a [LaTeX document](#). So to see this blog in its full glory, view the pdf document.
